INSURANCE

03/20/2020

We are closely monitoring the COVID-19 outbreak across the country. Our highest priority is the safety of our employees and customers while we continue our business operation. Beginning Monday March 23rd 2020 our office will be closed to the public. We will still be in the office, but we will walk outside to assist you. We will limit the number of people in the office by appointment. We are trying our best to still serve you and the community, but at a distance. You can always call us at (252 244 1381) or send email. As always we want to help you with any of your needs. We will continue to monitor and make the best decisions for our employees and customers and update you as the situation evolves.

Thank you for your continued support!
